## [July Extended Maine Cruise](#)

[PARTICIPANTS](#)

Friday 7/21 - Sunday 8/6/2023

The cruisers will sail through the Cape Cod Canal and moor in Scituate Harbor. Then, onto Marblehead Harbor the following day. If weather permits the cruisers will sail to Kittery Maine and then onto Portland ME. Once in Portland the cruise continues to Harpswell Point in Casco Bay. This may be the furthest point North for some cruisers to make it back within the time frame. It may also be possible to continue sailing to Penobscot Bay if weather permits. The return sail home will be through Portland Maine, Kittery Maine, Marblehead, Provincetown and to Buzzards Bay or other homeports. Departure day and time from each harbor will be reviewed by all cruisers and Cruise Captain with the emphases based upon weather.

This is a **BIG** cruise. Remember, you can join in or leave the group anywhere along the way.

## DETAILS SUBJECT TO CHANGE!!!

Cruise Captain: Wes Wood  
[CruisingChair@MattapoisettYC.org](mailto:CruisingChair@MattapoisettYC.org)

Friday July 21st: Cruise to Scituate and continue from there....

**Note: With a cruise this ambitious, weather and other factors along the way are likely to result in changes just prior to the cruise and in route. Make sure the cruise captain has your contact information for last minutes updates.**
