July Extended Maine Cruise

PARTICIPANTS

Friday 7/19 - Tues 8/6 2024

The cruisers will sail through the Cape Cod Canal and moor in Gloucester Harbor. Then, onto Kittery Maine after a day of rest. If weather permits the cruisers will sail to onto Portland ME. Once in Portland the cruise continues to Boothbay Harbor and further north to North Haven Island in Penobscot Bay. This may be the furthest point North and there will be other Harbors to visit such as Camden and/or Rockland depending on weather. The return sail home will be through Portland or Harpswell Point and then Kittery Maine, Gloucester, Provincetown and onto Buzzards Bay or other homeports. Departure day and time from each harbor will be reviewed by all cruisers and Cruise Captain with the emphases based upon weather.

This is a **BIG** cruise. Remember, you can join in or leave the group anywhere along the way.
